Long Life Coating

Doubles the lifespan compared to most UV lamps.

Self-Protecting Ballast

Measures temperature & voltage fluctuations to ensure safety and longevity.

Rotational UV Shield

Proprietary Rotational UV Shield protects the HVAC system from UV light.

Highly Durable Polycarbonate

UV stabilized, V0 fire rated, polycarbonate.

nano AHPCO® Catalyst

Proprietary blend of catalysts more effectively reduces contaminants.

Energy Efficient & Environmentally Friendly

Only uses 13 Watts of electricity.

Two-Tube Linear Technology

Insulates UV lamp and protects against temperature fluctuations, humidity, and fractures.

Easy AHPCO® Cell Replacement

Takes less than 5 minutes every two years.

Reduces up to...
99% of...

Odors

VOC's

Mold

Germs

Turn your heating and air system into a whole home air purifier.

Filterless | Low-maintenance | Energy efficient

Customer reviews...

Love this product!

My indoor air quality was very poor. My purifier has made a huge difference!

[Nicole H.](#) Verified Buyer

Great Product, Great Service!

Highly recommend this product...you can definitely tell the difference...Their customer service is outstanding!

[Naresh S.](#) Verified Buyer

Clean air!

I can tell that the air is cleaner and fresher!
